Important Notice

CommerceExtensions reserves the right to make corrections, modifications, enhancements, improvements, and other changes to its products and services at any time and to discontinue any product or service without notice.

Customers should obtain the latest relevant information before placing orders and should verify that such information is current and complete. All products are sold subject to CommerceExtensions terms and conditions of sale supplied at the time of order acknowledgment.

CommerceExtensions warrants performance of its products to the specifications applicable at the time of sale in accordance with CommerceExtensions standard warranty. Testing and other quality control techniques are used to the extent CommerceExtensions deems necessary to support this warranty. Except where mandated by government requirements, testing of all parameters of each product is not necessarily performed.

CommerceExtensions assumes no liability for applications assistance or customer product design. Customers are responsible for their products and applications using CommerceExtensions components. To minimize the risks associated with customer products and applications, customers should provide adequate design and operating safeguards.

CommerceExtensions does not warrant or represent that any license, either express or implied, is granted under any CommerceExtensions patent right, copyright, mask work right, or other CommerceExtensions intellectual property rights relating to any combination, machine, or process in which CommerceExtensions products or services are used. Information published by CommerceExtensions regarding third-party products or services does not constitute a license from CommerceExtensions to use such products or services or a warranty or endorsement thereof. Use of such information may require a license from a third party under the patents or other intellectual property of the third party, or a license from CommerceExtensions under the patents or other intellectual property of CommerceExtensions.

Resale of CommerceExtensions products or services with statements different from or beyond the parameters stated by CommerceExtensions for that product or service voids all express and any implied warranties for the associated CommerceExtensions product or service and is an unfair and deceptive business practice. CommerceExtensions is not responsible or liable for any such statements.

Extension Overview

This extension is 100% modular and works with all versions of magento including community, professional and enterprise edition. It adds the ability to view customer wishlist items all at once and you can delete or bulk delete wishlist items. This extension includes install instructions. Email with any questions at scottbolasevich@gmail.com

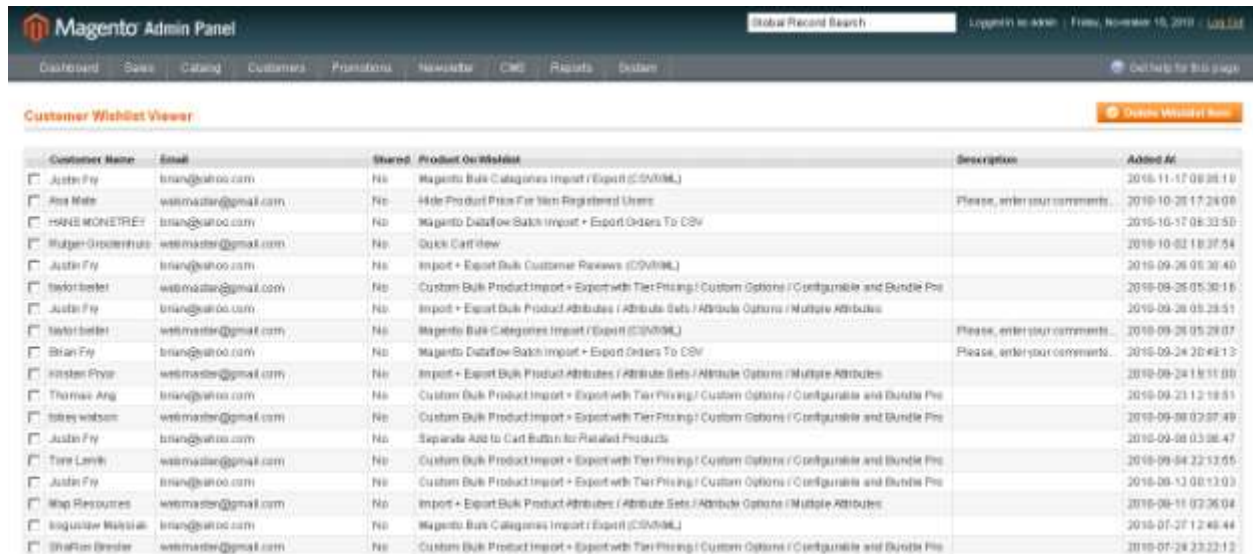

Extension Installation

1. Log out from Magento Admin panel if you are logged in
2. Unpack the contents of the 'extension' folder from the package file purchased from CommerceExtensions to your Magento root folder
3. Log into Magento Admin Panel
4. If Cache Control is enabled in Magento go to 'System > Cache Management' section, select 'Refresh' under 'All Cache' drop-down menu and press 'Save Cache Settings'
5. Now your module should be enabled and if you login to your magento admin and under the customers flyout you should now have a choice "Customer Wish list Viewer" (see below)

Extension Usage

Once the extension is properly installed you will be able to view customer views lists like the example below.

The screenshot shows the Magento Admin Panel interface. At the top, there is a navigation bar with the Magento logo and 'Admin Panel' text. A search bar labeled 'Global Record Search' is visible. The date and time are shown as 'Friday, November 15, 2019 1:03:53'. Below the navigation bar, there are tabs for 'Dashboard', 'Sales', 'Catalog', 'Customers', 'Promotions', 'New Orders', 'CMS', 'Reports', and 'System'. The 'Customers' tab is selected. The main content area is titled 'Customer Wishlist Viewer' and includes a 'Delete Wishlist Item' button. Below this is a table with the following columns: 'Customer Name', 'Email', 'Shared', 'Product Overview', 'Description', and 'Added At'.
