Important Notice

CommerceExtensions reserves the right to make corrections, modifications, enhancements, improvements, and other changes to its products and services at any time and to discontinue any product or service without notice.

Customers should obtain the latest relevant information before placing orders and should verify that such information is current and complete. All products are sold subject to CommerceExtensions terms and conditions of sale supplied at the time of order acknowledgment.

CommerceExtensions warrants performance of its products to the specifications applicable at the time of sale in accordance with CommerceExtensions standard warranty. Testing and other quality control techniques are used to the extent CommerceExtensions deems necessary to support this warranty. Except where mandated by government requirements, testing of all parameters of each product is not necessarily performed.

CommerceExtensions assumes no liability for applications assistance or customer product design. Customers are responsible for their products and applications using CommerceExtensions components. To minimize the risks associated with customer products and applications, customers should provide adequate design and operating safeguards.

CommerceExtensions does not warrant or represent that any license, either express or implied, is granted under any CommerceExtensions patent right, copyright, mask work right, or other CommerceExtensions intellectual property rights relating to any combination, machine, or process in which CommerceExtensions products or services are used. Information published by CommerceExtensions regarding third-party products or services does not constitute a license from CommerceExtensions to use such products or services or a warranty or endorsement thereof. Use of such information may require a license from a third party under the patents or other intellectual property of the third party, or a license from CommerceExtensions under the patents or other intellectual property of CommerceExtensions.

Resale of CommerceExtensions products or services with statements different from or beyond the parameters stated by CommerceExtensions for that product or service voids all express and any implied warranties for the associated CommerceExtensions product or service and is an unfair and deceptive business practice. CommerceExtensions is not responsible or liable for any such statements.

Extension Installation

1. Log out from Magento Admin panel if you are logged in
2. Unpack the contents of the zip file purchased and VIA ftp and upload the app folder to your magento install root.
3. Log into Magento Admin Panel
4. If Cache Control is enabled in Magento go to 'System > Cache Management' section, select 'Refresh' under 'All Cache' drop-down menu and press 'Save Cache Settings'
5. Once installed you will see 'Customer Custom Attributes' tab in the list in the main menu in magento admin.

Extension Usage

Once the extension is installed you can create/edit/delete and manage all of your attributes by click on the “Custom Attributes” tab

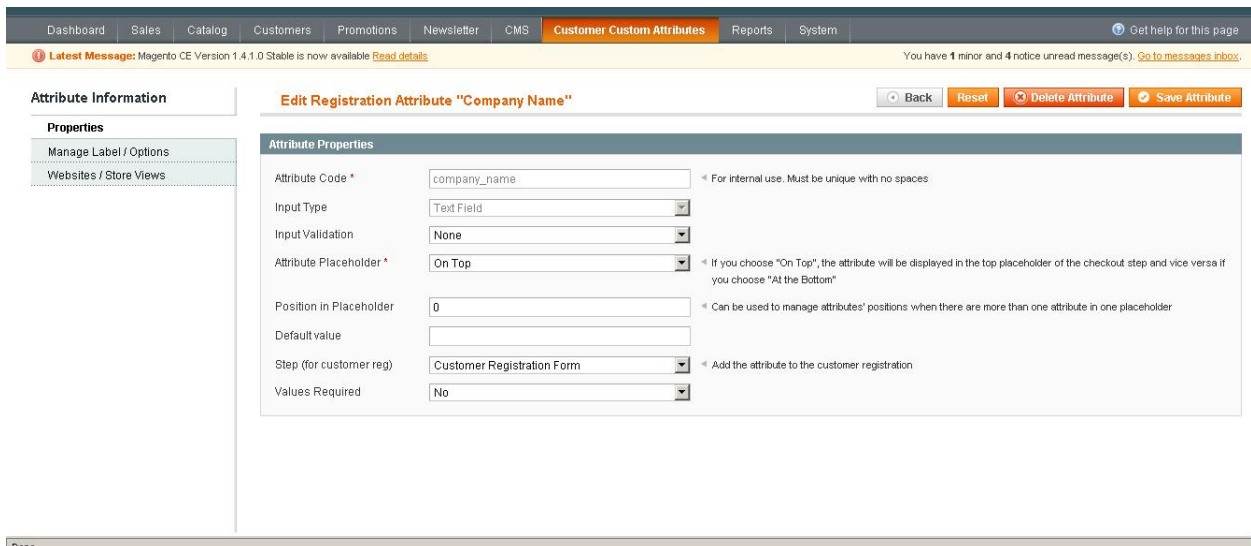

Manage attributes New Attribute

Page 1 of 1 pages | View 20 per page | Total 6 records found Reset Filter Search

Attribute Code	Attribute Label	Input Type	Attribute Placeholder	Step (for customer reg)
checkbox	checkbox	Checkbox	On Top	Customer Registration Form
company_name	Company Name	Text Field	On Top	Customer Registration Form
date	datelest	Date	On Top	Customer Registration Form
loc	Test3	Dropdown	On Top	Customer Registration Form
radiotest	radiotest	Radiobutton	On Top	Customer Registration Form
testmulti3	testmulti3	Multiple Select	On Top	Customer Registration Form

Click on “New Attribute” to add a new attribute item. On this page you can select which areas the new field will display. It can be on all or any of them, really any combination is fine. Note for dropdown/multi-select you will need to also click on the manage options tab and add the values as well.

If you want to edit or change existing options you can just click on them to edit

You can also set labels and descriptions (optional)

The screenshot displays the Magento Admin Panel interface. At the top, the 'Magento Admin Panel' logo is on the left, and a search bar and user information ('Logged in as admin1 | Thursday, July 22, 2010 | Log Out') are on the right. A navigation menu below the header includes 'Dashboard', 'Sales', 'Catalog', 'Customers', 'Promotions', 'Newsletter', 'CMS', 'Customer Custom Attributes' (highlighted), 'Reports', and 'System'. A message bar below the navigation indicates a 'Latest Message' about a Magento CE version update and a notification of unread messages.

The main content area is titled 'Edit Registration Attribute "Company Name"'. It features a sidebar on the left with 'Attribute Information' and sub-sections for 'Properties', 'Manage Label / Options' (selected), and 'Websites / Store Views'. The main panel has a top bar with 'Back', 'Reset', 'Delete Attribute', and 'Save Attribute' buttons. A yellow warning box states: 'If you do not specify an option value for a store then the default value will be used.' Below this are two sections: 'Manage Titles (Size, Color, etc.)' with columns for 'Admin *', 'English', 'French', and 'German', and 'Manage Description' with columns for 'English', 'French', and 'German'. Each column contains an empty text input field.
